CHECK FOR A LUMP

**11th Annual WIG OUT Gala
Flying Into the Future
April 4th, 2020
Scottsdale Hangar**

Check for a Lump is a local 501(c)3 non-profit foundation I.R.S. 27 - 4624148. Our mission is to provide free breast health education, mammograms, testing, and direct assistance to breast cancer patients with new wigs, support and resources in Arizona.

Our 11th Annual WIG OUT fundraising gala will take place Saturday, October 16th at the Scottsdale Hangar One. We would love for you to be a part of our out of this world "Flying into the Future" themed event. Our hair-raising night includes dinner, drinks, silent auctions, live auctions, and more. All guests are encouraged to boldly go where no non-profit has gone before and wear a wig, the farther our of this world the better!

Our event is an exciting and entertaining way to raise funds and awareness for a serious subject - breast cancer. Our non-profit assists underinsured and uninsured women with free mammograms and recommended diagnostic testing. Below reveals the impact of our free mammograms:

"I moved to Phoenix in June and my insurance would not have kicked in until January. I felt lumps in my breast and didn't know where to go. I am so thankful I found the Check for a Lump free mammogram program. It is a really, really great service. Unfortunately, I found breast cancer. Had I waited until January it would have been a lot worse." - Jennifer

In addition, we assist breast cancer patients through one of the most emotionally devastating aspects of treatment; losing their hair. Insurance often does not cover the cost of a wig. Many women can barely afford treatment, let alone a wig. Below is one woman's plea for help:

"I've been fighting breast cancer for 3.5 years now. . . I thought I could handle not having hair, but it upsets my children. My youngest boy is 8 and he doesn't like for anyone to know that I have cancer. He was so upset when I shaved my head but I had to because the hair was falling out in handfuls. I have just been let go from my job, I have recently filed bankruptcy and am living with my in-laws, so finances are not at their best right now. It would mean so much to have the little things - like looking normal and feeling feminine (I've had a bi-lateral mastectomy with reconstruction and feel a bit like Frankenstein when it comes to body image)." - Erin

Through the generous donations from our supporters and sponsors we were able to sustain our invaluable programs including free breast health education, mammograms, wigs, and support! Please consider joining our 11th Annual WIG OUT to make a difference in the fight against breast cancer!

Please RSVP with your sponsorship level by September 13th, 2021. We hope to be FLYING INTO THE FUTURE with you!
