# CHECK FOR A LUMP

14th Annual WIG OUT Gala  
Once Upon a Wig Out  
March 22, 2024  
Embassy Suites Scottsdale

Check for a Lump is a local 501(c)(3) non-profit foundation with IRS designation 27-4626148. Our mission is to provide free breast health education, mammograms, testing, and direct assistance to breast cancer patients with new wigs, support and resources in Arizona.

Join us for the 14th Annual WIG OUT fundraising gala on Friday, March 22, 2024, at the Embassy Suites Scottsdale. We invite you to be a part of our enchanting "Once Upon a Wig Out" themed event. This captivating evening features a delightful array of dinner, drinks, silent auctions, live auctions, and more. Guests are encouraged to embrace the magic by wearing wigs and costumes, creating a truly hair-raising experience!

Beyond its entertaining ambiance, our event serves as a vital platform to raise both funds and awareness for the critical issue of breast cancer. Check for a Lump actively impacts the lives of women in our community through a range of free programs; from providing invaluable breast health and prevention education, to free life-saving mammograms and diagnostic testing for those without adequate insurance coverage, and by offering free new wigs and organizing events like Super Survivors Unite, along with distributing Super Survivor Kits to breast cancer survivors.

By participating in our gala, you contribute to the ongoing success of our mission, making a meaningful difference in the lives of those affected by breast cancer.

*"I am thrilled and relieved that I will have Check For a Lump's assistance to cover the costs of this potentially life-saving diagnostic test. Thank you for all the work you and your team do to help women throughout Arizona receive the tests they need. I am happy to be among them. I look forward to receiving the call from scheduling. Thank you so much again from the bottom of my heart.  
With gratitude, Carino D."*

One of the most emotionally challenging aspects of treatment for many women is the profound impact of hair loss. Unfortunately, insurance frequently does not cover the expense of acquiring a wig, and for numerous women, the financial strain of treatment itself is already overwhelming, making the prospect of affording a wig seem nearly impossible. Allow us to share the story of one of our wig clients who turned to us during her treatment:

*"Thank you so much from the bottom of my heart. I have selected and picked up my wig. What a blessing this has been to me and to my level of confidence as I go thru this journey. Thank you! - Maria K."*

Through the generous donations from our supporters and sponsors we are able to sustain our vital programs including free breast health education, mammograms, wigs, and support! Please consider sponsoring and attending our 14th Annual WIG OUT to make a difference in the fight against breast cancer!

Please RSVP with your sponsorship level by February 22, 2024. We hope to WIG OUT with you!
